

**RETIREMENT BENEFITS:  
INFORMATION FOR:  
ATHENE/PRUDENTIAL/LOCKHEED-MARTIN (SINGER-LINK)  
AND RAYTHEON (CAE)**

If you are receiving benefits that started before 1/1/18, your Singer-Link pension previously administered by Lockheed Martin was or is in the process of being transferred to either Athene or Prudential.

You should have received information in 2019 about the transfer and should contact the appropriate company for information.

You may still call the Lockheed Martin Service Center at 866-562-2363 for questions.

If you have not yet retired, you should call the same number to determine your status and steps necessary for initiating your retirement benefits.

~~Prudential (Singer-Link)~~

~~If you have not received mailings from Prudential, call Prudential at 1-800-621-1089~~

~~Respond to the prompts by saying “Operator” and then “Pension”~~
